**Supper and Entertainment.**

One of the most artistic and well planned programmes of the year well merited the usual good audience. A flag drill by the girls and boys was well conducted by a miniature George and Martha Washington in old time costume. Tableau of scenes from the life of the Father of His Country followed another in quick succession, alternated by fitting music and recitations. Washington and His Hatchet, Washington Giving Up the Navy, The Spirit of '76, Washington and His Mother, Betsy Ross and the Flag, Washington's Inauguration, Washington and His Family were some of the scenes portrayed. Those taking part were Henry Randall, Howard Hoxie, Roger Brown, John H. Hoxie, James Stanley, Mrs. Clifton French, Mrs. Herbert Graves, Miss Elise Haves, music and recitations were by Mr. and Mrs. Hoxie, Elise Haves, Elsie Kilpatrick, Mrs. Herbert Graves and Edith Williams. ### BRONCHIAL COUGHS

When the bronchial tubes are affected with that weakening, tickling cough, they need immediate and sensible treatment. The breath seems shorter because of mucous obstructions; usually fever is present and your head aches with every cough. Your chest aches and the inflammation often spreads to the lungs.

The food-toxin that has proven its worth for forty years—is Scott's Emulsion. It drives out the cold, which is the root of the trouble, and checks the cough by aiding the healing process of the enfeebled membrane.

If you are troubled with bronchitis or know an afflicted friend, always remember that Scott's Emulsion builds strength while relieving the trouble.

parcel and quilting of quilts as the occupation of the members. Frequent mention is made of members who brought their own work and paid the customary fine of 1-4 cents. With exception of quilting, all these occupations are unknown in the present society. There are probably few societies of today who do the old time quilting and it is perhaps due to this fact that the Ladies' circle is never out of this work at times having many quilts ahead of the work coming from many sources, more or less distant, one quilt recently being returned to California after it was finished.
